Проект
«Как дикие животные готовятся к зиме»

The background is a warm, golden-yellow gradient. It is decorated with various autumn-themed elements: falling leaves in shades of orange, red, and brown, some with detailed vein patterns; thin, dark brown vine-like lines with small leaves; and a single ladybug on a vine on the left side. At the bottom, there are stylized, light-colored grasses or reeds. The overall mood is cozy and seasonal.
